
Vandalism Saturday Night 6/20/09

Sunday morning I found 2 of my vehicles were vandalized Saturday night between the hours of 10 PM and 6 AM. The deputy that came out when I filed a report informed me I was the fifth call, seems the target was Cedar Dr., Holzem Court and either side of the Cedar/ Grand Ave. intersection. Last week it was sheds that were broken into. We have been working to get a Neighborhood Watch program off the ground, please get involved and look at the website to get information. The impression I was given by the deputy is this has the feel of a group of "locals".
